**Part 2**

We will be having a Quarter "Cultural" Project due later in the Quarter **Due Feb 18 OR Feb 25 OR March 3 OR March 9**. This will allow for you to choose your deadline and not have to be so busy at the end of the quarter if you have projects in other classes, and it will help to stagger our projects. More information to be posted on the Website and coming home soon.

The categories to choose from are: Short Novel Project, Music, Country/Food report, Skit/Song. This must be a different topic than your project in Quarter 1.

I am planning to do my project on \_\_\_\_\_. I will bring home the official permission slip next week and get started on my project.
